## Learning Benefits

Problem solving

Language skills

Emotional development

Creative development

You will need:

Scissors

Tape

Colouring Pencils

30min

## WHO ARE THE GREEN PLANET EXPLORERS?

The Green Planet Explorers are a group of animal friends teaching sustainability through play; each with distinct personalities and backstories, they're designed to engage children and parents alike. Through their adventures and stories, the Green Planet Explorers educate on the importance of sustainability and encourage eco-friendly practices, inspiring families to adopt habits that contribute to a healthier planet.

## RECYCLING & SORTING RUBBISH

Sorting rubbish like recycling paper, glass and plastic is the first step in the right direction to a healthier planet!

Organic

Paper

Plastic

Glass

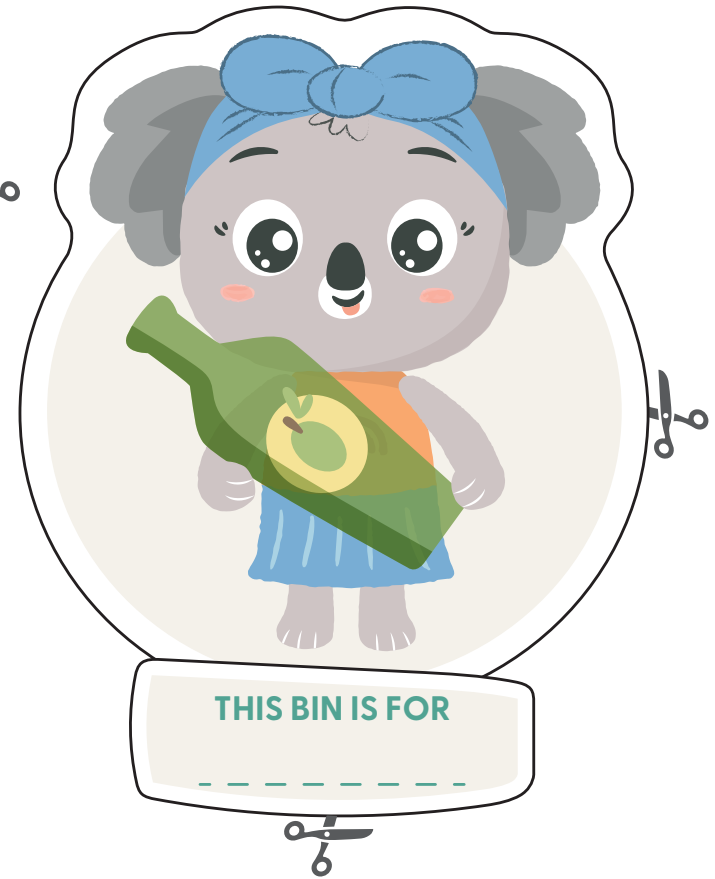

Aluminium

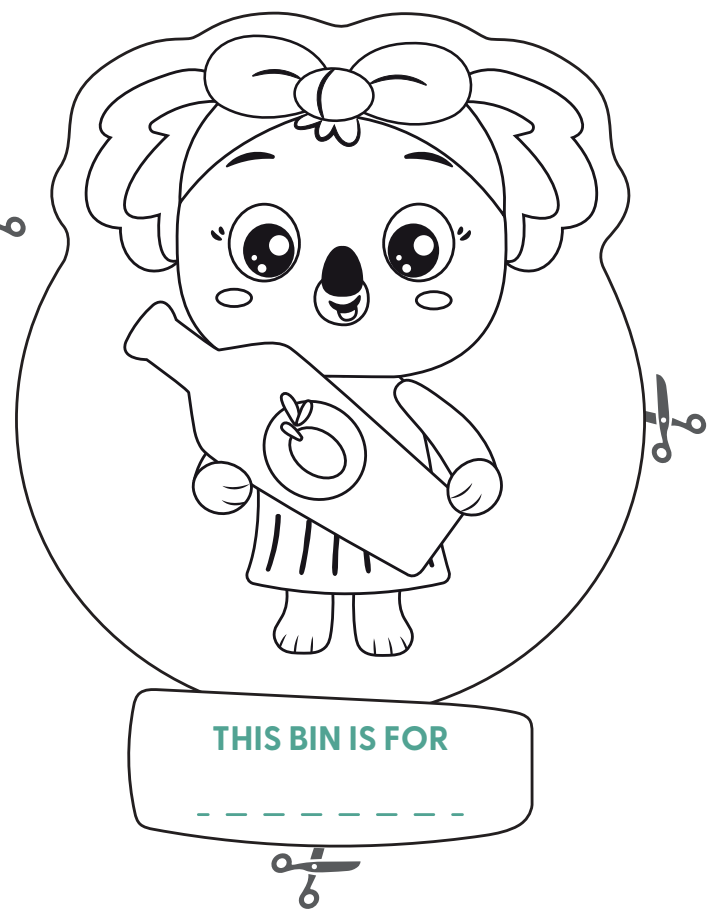

## Instructions:

### **Teaching children how to sort their rubbish!**

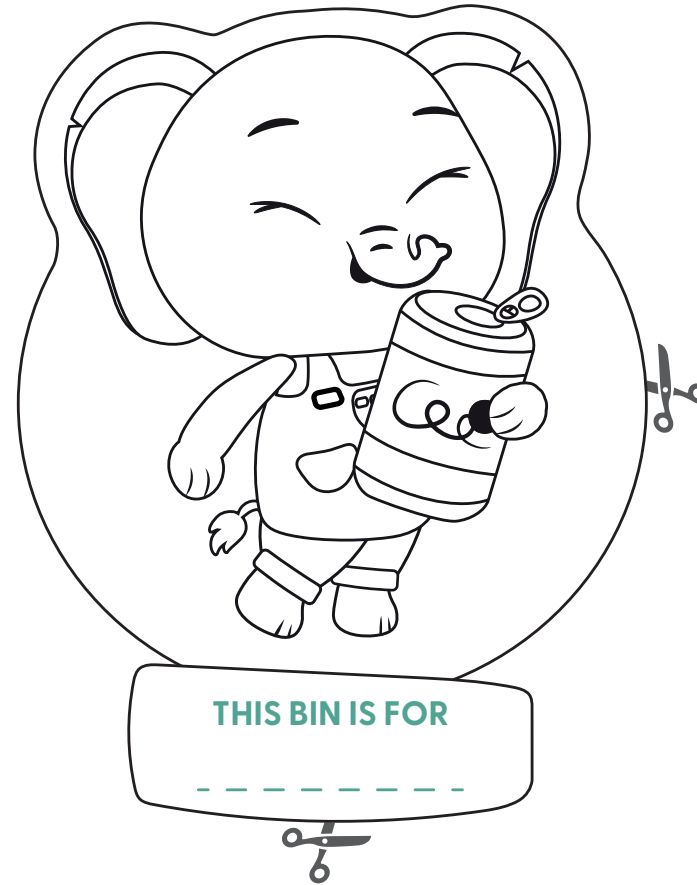

1. Print the Green Planet Explorers, they can be in colour or you can colour them yourself!
2. Cut out the characters
3. Place each character on the correct bin to show your child what type of rubbish goes where
