Instrucciones:

1. Imprime tanto el hábitat helado como el de la sabana (en blanco o coloreado)
 - a. Si los imprimes en blanco, coloréalos antes de recortarlos
2. Recorta y dobla los 2 hábitats
3. Imprime los animales (en blanco o coloreados)
 - a. Si has elegido el espacio en blanco, colorea los animales antes de recortarlos
4. Recorta, dobla y pega los animales donde se indica
5. Monta tus hábitats y crea tus propias aventuras con animales

Hábitat helado

Hábitat de la sabana
