Risoluzione dei problemi

È necessario:

Forbici

Colla

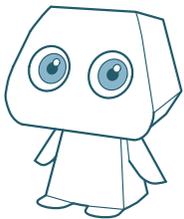

1h30min

Istruzioni:

1. Ritaglia con cura i coniglietti con le forbici.
2. Per piegare e segnare uniformemente, usa una penna scarica o un altro strumento appuntito.
3. Piega tutte queste parti verso l'alto (piega a valle) o verso il basso (piega a monte) come indicato.
4. Assembla come indicato di seguito e incolla dove necessario.

Attenzione:

Maneggia con cautela oggetti appuntiti o taglienti, come le forbici.
